

Faculty of Health and Behavioural Science

Global Engagement – Academic Award

2021 Application Guidelines

Instructions

Eligibility: All Academic staff.

The Global Engagement Award recognises the efforts of academic staff from the Faculty of Health and Behavioural Sciences who have demonstrated ongoing global engagement. This activity may have taken place over several years including/as well as in the year of application.

Applicants should demonstrate:

- Strengthening UQ's internationalisation through, teaching, research, programs and/or projects
- Encouraging and promoting overseas student and/or staff mobility internationalisation with community engagement and impact.

Applicants will be assessed on their activities in global engagement. More than one activity can form the basis of the nomination. If more than one activity is listed, there should be a theme to the multiple activities. s
