Higher Degree Research Award - Excellence in Promoting Industry Engagement in Graduate Research

2022 Application Guidelines

Value: \$3000

The Excellence in Promoting Industry Engagement in Graduate Research Award recognises outstanding promotion of industry engagement to HDR candidates. Applications from individuals or teams will be considered. This award forms a pipeline to the UQ Awards for Excellence in Promoting Industry Engagement in Graduate Research.

Eligibility:

- Applicants must be a current UQ academic staff member on a continuing or fixed term appointment (or an adjunct appointment) at UQ for a minimum of two years at the time of application
- Applicants must provide evidence of high quality performance relative to opportunity (see Selection Criteria).

Applicants should demonstrate:

- Initiatives that have enabled successful and effective collaborations between HDR candidates and industry partners
- Graduate research programs, support and/or supervision that supports HDR candidates to develop strong employability skills and wide professional networks
- Projects or initiatives that demonstrate and promote the value of HDR candidates and graduates to industry.

The completed application form and a two-page CV for each applicant, must be attached to the application, as a Word document.
