Faculty of Health and Behavioural Science

Higher Degree Research Supervision

2022 Application Guidelines

Value: $3000 (2 maximum)

The Higher Degree Research Supervision Award recognises outstanding levels of performance in the supervision, mentoring, and training of Higher Degree Research (HDR) candidates by a supervisor from HaBS. This award forms a pipeline to the UQ Awards for Excellence in Higher Degree by Research Supervision.

Either self-nominations or other nominations will be considered.

Eligibility:

- Academic staff

- Holding at least a 0.5 FTE paid appointment within the Faculty of Health and Behavioural Sciences

- The nominee's position must be continuing or for at least three years (may include a series of short appointments)
- Minimum of three years' experience within the Faculty of Health and Behavioural Sciences in the supervising, mentoring and/or training of HDR students at UQ
- Listed on the UQ Principal Advisor registry.

Applicants/nominees should demonstrate:

- Outstanding commitment to a research career

- Outstanding contribution and level of performance in the supervision, mentoring, and training of research higher degree candidates.

The completed application form and a two-page CV must be attached to the application, as a Word document.
