

## Faculty of Health and Behavioural Science

### Leadership – Academic Award

### 2023 Nomination Guidelines

#### Instructions

**Eligibility:** Academic staff who are not members of the Faculty Executive Committee. Self-nominations will not be accepted for the leadership award.

The Leadership Award recognises the exemplary leadership of academic staff in Schools and Centres who help to create a positive, performance-based culture, and contribute to the achievements of the Faculty.

#### **Nominations should demonstrate:**

- An individual who inspires others to focus their individual talents on the goals of the organisation and to contribute at the highest level.
- This leader exemplifies UQ values in everything they do.
- This leader mentors and supports the work of others.
